### Monthly Recap

Summer is here and tickets are live (see page2)! With over 20 day-camp offerings, there's something for every curious mind, from exploring nature's wonders and mastering culinary creations to diving into the world of robotics and exploring careers in emergency services. Whether your kiddo is a budding scientist, an aspiring chef, or a future engineer, our camps cater to youth ages 5-18, igniting passions and fostering friendships along the way. Don't miss out on the ultimate summer of fun and discovery with Randolph County 4-H summer day-camps—where 4-Her's will "Learn By Doing" and "Make The Best Better!"

### Club Highlight

During the Randolph County Clever Clovers 4-H Club May meeting, club members completed a service project in partnership with the Randolph County Beekeepers Association, who donated four bee boxes to the Randolph County 4-H beekeeping program. The Clever Clovers painted and decorated the boxes, which will be kept at Beez Needz in Sophia until the Randolph County Agricultural Center is open for operation (see page 4).
