WHAT'S THE SCOOP?

Monthly Recap

February may be short, but it's full of 4-H fun! During the last month, 4-H'ers across the county engaged in a wide variety of hands-on learning experiences. The Randolph County 4-H/Archdale Public Library Homeschool Explorers group had a fantastic time on a field trip to Mrs. Hanes Cookie Factory! On February 17, over 60 participants, and on February 24, more than 40, joined in for a sweet adventure! It was a wonderful opportunity for our youth to learn about the economics of running a business, all while indulging in the six delicious flavors of their famous Moravian Cookies! A big thank you to Mrs. Hanes Hand-Made Moravian Cookies for hosting us and making this learning experience so much fun.

On a similarly sweet note, 4-H'ers at George Washing Carver Enrichment Center participated in a bake-off, practicing measuring skills, following a recipe, and implementing strategic teamwork to ensure the outcome of delicious, made-from-scratch chocolate brownies.

Meanwhile, 4-H'ers at Trogden's Afterschool Daycare created DIY body scrubs using coconut oil and brown sugar. As a group, they shared who they planned to gift their homemade scrubs to as a way to express love and appreciation. Afterwards, youth created Valentine's Day cards and learned how to properly package and gift wrap their homemade presents.
